

I am going to the Dallas Museum of Art.

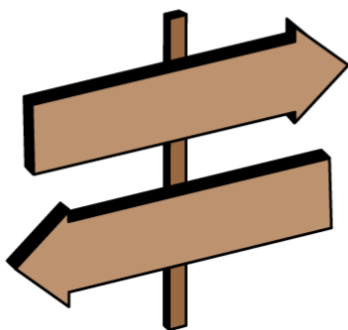

We may park in the underground garage.

If I need help I can find a staff member wearing a black shirt.

Signs and maps help me find my way around.

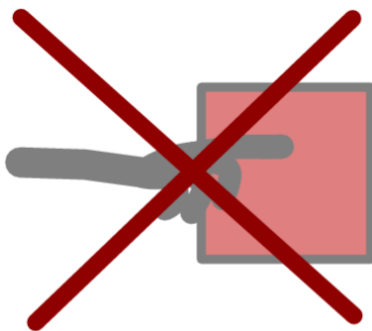

Other people will stop and look at art.

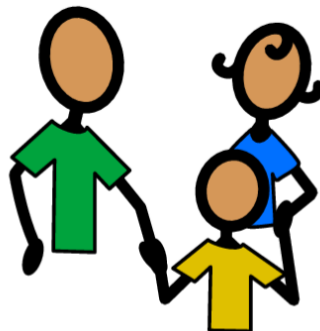

I can talk about the art in a quiet voice.

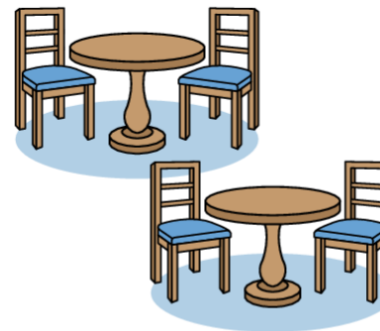

We shouldn't touch the art because it's special and we don't want to mess it up.

If I stay close to my group I won't get lost.

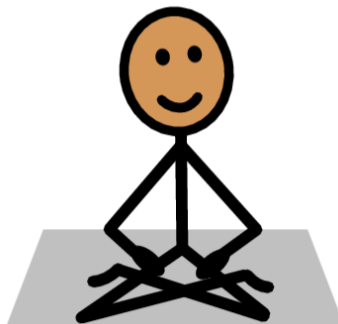

There are snacks and drinks in the cafe.

Sometimes, I need to use the restroom.

There are quiet places to take a break.

Today was a good day!
