

Sometimes, I go out with my family and friends.

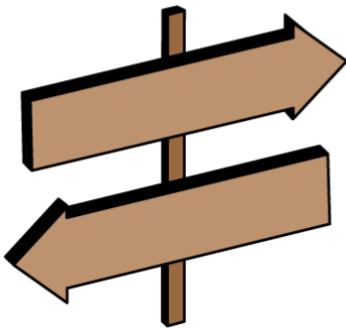

There is a parking lot.

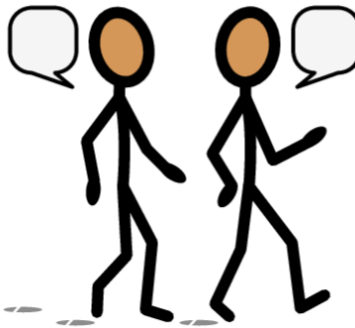

There is a place to enter.

Signs and maps help me find my way around.

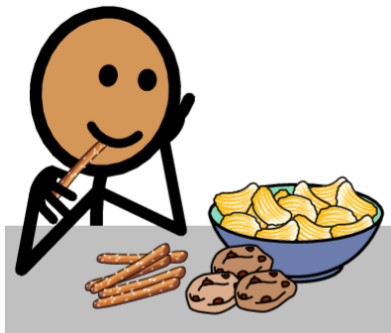

Other people will be walking and talking.

If it is loud I can put on headphones.

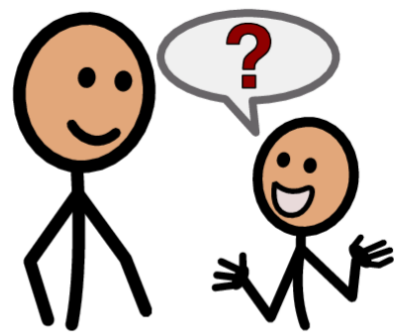

If I'm hungry I can get a snack.

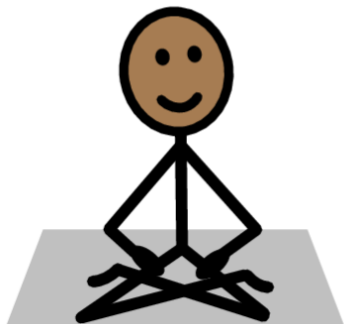

Sometimes, I need to use the restroom.

I can ask an adult for help.

There are quiet places to take a break.

I will gather my stuff before I go.

Today was a good day.
